Center for Ethical Leadership

Advancing a Common Good Worldview
Sponsorship Opportunities

2026 Bill Grace Leadership Legacy Event:
Inviting the "Stranger" to Co-create Sustainable Change

As a recognized leader in service of the common good, we invite you to be a sponsor of the ***Legacy Event: Inviting the "Stranger" to Co-create Sustainable Change***. Stand up for your commitment as a leader who is dedicated to cultivate transforming leadership and social action on behalf of the common good worldview. Join us on **Thursday, August 20, 2026, 7 pm to 8:30 pm PST.** Pre-mingle with heavy hors d'oeuvres at 6:30 pm. Program starts at 7pm. Located at Wisteria Hall Terrace, 2300 Arboretum Drive E, Seattle, WA 98112.

Since 1990, the Center *for* Ethical Leadership prepares leaders to lead at a macro level for the good of all and helps clarify deeply held passions for a just society. Our holistic pedagogy prepares leaders to lead with a "***we-all"*** worldview, moving away from the divisive "us-them" thinking. We work with groups and individuals who seek to become more effective leaders and agents of change. Leaders who are committed to transforming the status quo.

This approach has cultivated tens of thousands of leaders (youth and adults) around the world by using a model centered on values-based leadership. Leaders utilize our methodology to develop creative and innovative results by crossing real and perceived boundaries that build and/or restore relationships.

Mission: We cultivate leadership and build capacity for change, helping communities tap collective wisdom in service of the common good.
Vision: A world that thrives together.
Organizational Values: Inclusion, Interdependence, Courage, and Social Change

More information about the hybrid event, visit our website.
